RAPID CITY, S.D. – The South Dakota Department of Transportation (SDDOT) says that N. LaCrosse Street will be temporarily closed at Exit 59 and Interstate 90 and LaCrosse Street traffic will be detoured during nighttime construction activities starting on Sunday, March 13<sup>th</sup>, 2022 at 9:00 p.m. MDT. The temporary closure will remain in effect during the overnight hours from 9:00 p.m. until 5:00 a.m., Sunday March 13<sup>th</sup>, 2022 through Friday March 18<sup>th</sup>, 2022.

Interstate 90 traffic will be detoured from Interstate 90 onto the Exit 59 (N. LaCrosse Street) ramps, and immediately back onto Interstate 90. Detours and signage will be posted, and the speed limit slowed to 25 miles per hour. The reason for the closures is to protect the traveling public while demolition efforts are undertaken on the east side of the N. LaCrosse Street Bridge.

Motorists and pedestrians are asked to be aware of construction workers and equipment in the LaCrosse Street and Interstate 90 vicinity.

This is the second year of the project to reconstruct the interchange on I-90 at Exit 59 (North LaCrosse Street). Complete Contracting of Rapid City is the prime contractor on the \$17 million project. The overall completion date of this project is June 2023.

Complete road construction information is available for this project at: <https://www.i90lacrosseddi.com/> and on <https://sd511.org> or by dialing 511.
